“ Wally and family,
My thoughts and prayers are with you. Anna was such a sweetie. My favorite memories was the cruise in the Caribbean about 15years ago I think Wally and Anna had more fun than all of us. Exchanging Pin Pal pins with new friends they met on the ship. I remember Anna always smiling . Rest in Peace my dear friend. Love,

“ Anna and I became great friends during the 25+ years that we worked together! She was so caring, witty, funny, adventurous and fun to be around! She was a great travel buddy on all of our office trips - even though she was so afraid of flying! I remember holding her hand on her first small plane flight from Yakima to Seattle - her eyes were

closed most of the way! She was always willing to try new things. I'm sorry that I never mastered making tortillas even though she tried to teach me! But hers were always the best!

Family was very important to Anna - Jesse & Joanna were the light of her life, and her Grandkids brought even more love and meaning to her world. And Wally came along and opened a whole new chapter of love and adventure!

I will miss our Anna, she will always hold a very special place in my heart because she was a very special lady!

“ I was honored to work with dear Anna for many years. We were great co-workers and were able to work-vacation together, also. She didn't like flying! She made fun of my Spanglish (I told her she could call me Sandia!) and taught me a lot about what a strong, independent, capable and fun woman is! She also always had my back at work and it was a pleasure to spend so much time with her. She also liked my husband and spoiled him many times by getting up early in the morning and hand-making tortillas for him! She will always be a blessing to me-great memories. Blessings to you Wally, Jessie, Joanna and grands! She was a love! Sandi Johnston
