“ On behalf of my sister Vonne Reagan in Cape Girardeau, Missouri she has requested that I share her deepest sympathy, as well as prayers for the family. She knew Donna and was always especially grateful to Donna for taking our mother under her wing when our mother was in the final stages of her life.

“ She lived a life so rich and full, now there is no time to delay.
She heard the call to leave this earth, and she's ready to be on her way.
Donna lived through many decades, saw presidents come and go.
Was witness to life's changing times as the culture would ebb and flow.
She raised a loving family, to whom she was dedicated.
Her greatest loss was that of her son which left her devastated.
Because she was a woman of faith, she trusted God to guide the way.
With the spiritual strength of Samson, she lived in victory day to day.
Her love for people was amazing. Her compassion didn't stop there.
She would take in stray animals, giving them affection and care.
She was an advocate for goodness. Always praying for the lost,
That they also would come to know what was done for them on the Cross.
Donna possessed a sense of humor. Was a trickster extraordinaire.
When I tried to play a trick on her, I was the one caught unaware!
Her heart embraced my mother, and adopted my daughter too.
Bringing joy into their lives, as she was known to do.
Neighbors and friends for many years, our lives woven together.
It was a bond that would endure through all kinds of weather.
Donna never lost her passion for all that she held dear.
Even when the effects of aging, kept creeping ever so near.
How do I find the words, to adequately express
How much we shared together and how I was so blessed?
It would take a book to record, all the wonderful memories.
So they are affectionately stored in my heart held treasury.
With mournful sadness I say farewell, though I be truly dismayed.
Donna has a heavenly appointment and is ready to be on her way!

“ The dearest friend anyone could ever ask for in this life. A second mother to me. We shared a love for animals, sharing our hearts and deepest desires but most importantly our love of Jesus. You will remain in my heart until I see you again dear Donna. I will hold close all of our fond memories, heartfelt conversations, tears and the laughter we shared. We always said we wanted to be Gatekeepers in God's animal Kingdom. It is a joy to know you are already there. With all my heart I love you - forever and always. Robyn
