“ My Grandpa was a very grateful man and very loving. His time here was touched by many that knew him. Nobody ever knew this but his family but in 1987 my Grandpa was in a tragic work accident that he's life was saved by the Lord with his healing and gave us another 31 years to enjoy his time with us. Our family have lost a wonderful gentle man. I do not want to be selfish and I ask the "Lord why so soon Lord"? Then I come back to realizing that even though I don't want him to leave us but it's for the best. No more pain and My Grandpa it was time for him to leave to be with My Grandma and My Mom that he missed dearly everyday. Grandpa it's not going to be the same without you hear but just know I love you and one day, I will meet you again. I know your Happy Grandpa your finally home Grandpa you taught all of us very well. I am so Happy and Blessed that the Lord chose you to be my Grandpa "Sonny"

“ Memories of a life that's been loved. A truly great man, my grandfather. You were always there with a story or two, a laugh, or even a joke to brighten our day. You were a true blessing to all of us and the void in my heart will never be filled. Until we meet again. You are free.
