“ *It wAs a long day at home of sewing. Calls me and says let's go store? On our way to store we pass a sign it says Yard Sale she yells stop they might have something I need. We stop and she says we got to go get the truck ok? Little I knew she wanted to buy a crate of jars and no kidding the pallet was full of jars that could can the whole rivers fishing and smoking fish for it.*

Then proceeded to the store and got a case of pop and munchies for the cold sandwiches we were making. Well after we unloaded the jars and decided to take a break awe geez let's go get the good stuff so I drive back up Mattawa store and she ran out of money and says guess it's your turn sister lol I cracked up I won half the game. We get to the store and get the bottle and she says now we got to take a grape tour oh my goodness that's lots of fields to go tolittle I knew we did and even drove threw them cause she wanted a taste and it was so crazy but funny. Then ended up at PEC at there stores and sat there watching the fishermen catch salmon and we get asked if could join them and like my sister was oh maybe for 5 minutes then we leave but not it's dark when we leave.

We get home and fish didn't get cleaned it's still on ice and I tell both of them see ya in the morning to do our work ok....she gets up come get this fish I can't go nothing lol awe man what a day of fun God bless her heart and soul
