“ *I don't know the family but I knew Alberta from the casino and I just want to say that I am so sorry for the loss of your loved one. I didn't know she was sick and I hadn't seen her for quite awhile and one day I met Sharon(her friend) and she's the one who told me about her being ill. I was totally shocked and it really bothered me. I will truly miss her as we always talked when we seen each other. Please accept my deepest Sympathy.##imported-begin##Bonnie Bartlette##imported-end##*
