

Amber Sky DeLeon

May 19, 1993 - May 3, 2019

Amber DeLeon also known as Sky, 25, passed away peacefully on Friday May 3, 2019 in Toppenish, WA. She was born on May 19, 1993 to Alma Rivera and Jesse DeLeon. She attended school in Toppenish where she made many friends. Then moved away to finish off her schooling at Job Corps in Sedro-Woolley, WA. She became certified to work at a rehab facility as an RN. She had dreams to become a drug and alcohol treatment counselor. Although things were going good for her and she made lots of friends and gained great knowledge in a career she always planned to pursue. She eventually moved back home. Having a hard time finding work as an RN, she found work as a cook at the Legends Casino after several long dedicated months that job no longer worked out. She then became employed at Washington Beef where she still was currently employed and gave her dedication to another local company. There she met and made more friends. Sky will be remembered by her very loud and distinctive laugh that was truly one of a kind. She loved making people laugh and always had a smile on her face. She never cared what people thought of her and her attitude was very carefree. She loved loud music, piercings, and "chillen with the fam!" (as she would put it.) Left to honor and remember her love are her mom Alma, RJ, Jennifer, Michael, Jessie, Nancy, Linda, Reda, Freddie, and Johnny also including nieces and nephews. She was preceded in death by her dad Jesse DeLeon and her brother J.D. She will be missed in all our hearts.
