“ *It is a time of mixed feelings for me to bid farewell to a man I've known since his early Camp Chaparral days in his youth. Often I'd run into him at 1910, we'd sit, talk and laugh. Will miss those times and think fondly of them. But I must say I am celebrating the fine reconnections he will be making with loved ones who've gone on before and relations since time immemorial! Andy, go with God until we meet again!*
