“ *I would like to thank everyone for the kind thoughts, expressions of sympathy, and support to our family.*

We are not able to reach out and thank each and every one of you individually, but be assured we appreciate each thought and prayer. We will treasure them forever and share them with Cainen when he is old enough to understand.

Thank you Ron. At the service, Andy's cousin from Walla Walla fondly told the story of how at FFA convention they snuck out and were "busted by Mr. Nash". Thanks for watching over them.

“ Mr. and Mrs. Ozuna and Matt, I am so sorry to see that Andy has passed away. I have a special place in my heart for him and for your family. Andy and I had our moments but he always came back to say hello and check in. We talked more than a few times about what he wanted to do after high school. I enjoyed coaching and teaching both of the boys. My thoughts are with you all. Sincerely, Robi Raab
