“ I have beautiful memories of her at the casino every Tuesday , because it was senior day and every holiday she would dress up for that occasion . Also her smile .

*You can shed tears that she is gone
Or you can smile because she has lived*

*You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left*

*Your heart can be empty because you can't see her
Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday*

*You can remember her and only that she is gone
Or you can cherish her memory and let it live on*

*You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love
and go on.*

“ Oh how I loved her! So kind, beautiful inside and out. Every holiday I looked forward to seeing how she dressed to celebrate. I will truly miss this amazing lady, always a smile even when she wasn't doing well, her love for her family, her dedication, simply amazing. God has gained one heck of an angel and I am most positive she is looking down on all of us. I am honored to not only know her but to call her a friend and mama!

“ To the Valdez family. Our hearts are with you at this time. Angie was a beautiful person who brought light to all those around her. She was a beautiful human being who never saw the bad in anyone. May she Rest In Peace and May the good Lord hold her in the palms of his hands. May she live on in each of you in your hearts and minds and may you find the strength to carry on with your feelings and thoughts of her. God bless each of you.
