“ *I'm so sorry for your loss. Angelo had a light within him that lit up not only the whole room, but everywhere when one was with him. He will dearly be missed. I'm grateful that he's no longer in pain. I believe he's now in Heaven showing my Mikey the ropes since he beat him to Heaven by four days. I won't be there to help celebrate his life in person, but please know that the family has all my love and prayers.##imported-begin##Laura Frazier##imported-end##*

“ Peanut, you were so very special to me because of the joy you brought to a room, a gathering, a place. You entered a room and the whole room would light up from your huge smile and mature demure. You lite up my life. I don't remember you ever complaining about your pain. You always participated in every sport and activity. You rode bikes, 4 wheelers, and tried skate boarding. Nothing ever stopped you. I will deeply miss you and carry you in my heart forever. Till we meet again. Play in heaven like a little boy.....LUV U G.
