“ I met Anthoney out at Chuck and Marcy Carl's house. He was always a happy go lucky kind of guy. When ever he would see me he gave he a hug and said "Gland you could see me". His humor was contagious and loved to give somebody crap. My heart goes out to Alison and his kids. He will be missed! Bubba and Susan

“ *My deepest condolences to Alison and the family. No words can express my feelings but please know I will keep you in prayer. He will always be looking over you and the family with love and care. He will always be in your hearts. The memories and life you shared together will always be with you. He always acknowledged and gave me a hug. When you family marries/intermingle, you become the babysitter. Him and Lovey were always good kids because I enjoyed being a part of his Mom's life as well. My sister Carmen was married to Arnold Sconawah and they became a part of our lives as well. My sympathies and prayer to you to help you. Know I love you Alison and always care for you.*
