“ *Dear Suzy and Nathan,*

I wanted to send my sympathies to you and your family from all of us in the NICU. We are so sorry your family is experiencing this difficult time.

While I was taking care of Ava, I also had the chance to briefly meet Alyvia. What beautiful girls! They had the same curly dark hair and sweet lips. Nathan touched them and took pictures of them so gently and with such love ... it was obvious they were born into a wonderful, caring family.

*My deepest prayers are with you,
Kaytee and the NICU Family##imported-begin##Kaytee Becerra,
