“ Dear Uncle Benny, We’re so blessed for the visits We had with you. I’ll never forget your love for our family. When Mom fell ill in 2004 you were her faithful visitor every morning when she was in the hospital. She always said you were her Angel and faithful visitor. And you truly were. We’ll miss you Uncle Benny. All our love and condolences to our Macias family. Love the Moya’s 🥹💕🌷🙏🕊️
