“ My prayers go out to you sister Monica and sisters nd Brother Johnny Harris and the beautiful grandchildren, Your mother was a very kindhearted Mother, auntie, Sister and elder to the people she was around, she use to talk to my mom at yard sales, they'd be laughing around about stuff I won't repeat cause it was there talk, I was to young to understand but now I do and I pray for her family to be strong during their loss of such a big part of your family.

You mom, grandma is reunited with her loved ones she grew up with all her life and her mate as well. She loved many people in her lifetime but mostly to her heart was her family.

I will keep praying for strength for us all during the year or time is to bring her name back.

God bless you and I thank you for sharing your mother with many whom loved and met her one day or another.
