“ My name is Jennifer, I am a friend of Bobby's. She lived with my family and I for a long period of time. When I meet bobbie she was such a very interesting person she had a smile that brightened up the room, a heart filled with joy, and a sparkle in her eyes that just glowed. She holds a special place in my heart. My condolences to her family. I was there by her side talking to her in her last few days with us. Bobby was tired, Im so glad your not suffering anymore and we will see each other soon my friend.... Love you Always....Your Friend Jennifer.
