“ *We at Gasseling House want to express our deep appreciation for the confidence that Bonnie's family placed in us for the care of their mother. Your family was so gracious to work with during Bonnie's difficult times. We remember most how the true love of Bonnie's heart, the loving kisses, and the meticulous manors and impeccable drive shined thru despite her illness.*

It was apparent that she had the love and respect of her family. We wish to extend our special respect and appreciation for the extraordinary job that Theresa and Cheryl did for Bonnie during her difficult times.

We miss Bonnie and her family,

Paula, June, Carol, lou and Allen##imported-begin##Gasseling House##imported-end##
