“ *Oh Carla, it has taken so long to sink in that your really gone! I am so grateful for the last year's spent going with to my son's football games, laughing ,yelling and cheering those Mustangs on. Randi and I will never forget the time spent working with the horses in your arena. I still smile when I think about you letting me ride Trouble for Grant and Michelles Wedding. I know you rarely let someone ride your horses, and the fact you trusted me still puts a smile on my face! Camping, riding will never be the same...you were known as aunt Carla to my kids and to so many others...you were my sis, my pal and my confidant.. I miss you with every breath I take!! Hard for me to think God had better plans for you. Lisa*

Each night we shed a silent tear, as we speak to you in prayer, to let you know we love you, and just how much we care, Take our million teardrops, wrap them up in love, then ask the wind to carry them, to you in heaven above.

“ *There are not sufficient words to express the loss of this brilliant and beautiful spirit to our world. Carla and I had a special kinship as we shared the same birthdate. I will continue to miss her.*

It came as quite a shock to hear of her passing. I used to work with her at Safeway some time ago. You could always tell where she was in the store with that laugh of hers. She was great to work with. Always a kind word and a caring heart. She will be missed Prayers to the family. God speed.
