“ *Arlene and Brian,*

*Today I read the beautiful tribute to Francis in the paper. My parents emailed it to me. I have so many very fond memories of Francis and your family. From swimming on the Tarpon team to YMCA swim commutes to school sports from junior high through our great high school years. My memories of Francis are of him smiling and laughing. May God bless your family with comfort and peace.*

*Kindest regards,*

“ Dear Arlene and Brian---

*I'm living down in Bend Or. now but I check the Yakima Herald every day. I'm so sorry to here about Francis. He was always such a joy to be around. I had'nt seen you guys for years since Marv and I moved to the mountains in 1983 and I lost Marv in 2000. They will be up there joking around and talking about the old days. I know how tough it is when they go so quickly but I know your a strong person and with the love of your son, grandchildren and all your friends you will make it thru the tough times. My prayers are with you and Brian.*

“ Brian and Arlene, I am so sorry for your loss. Brian, losing a parent isn't easy, knowing how hard it is to lose your Dad, your best friend, my thoughts and prayers are with you. I remember your Dad always at our basketball games, a big smile on his face, in support for Top-Hi and cheering you on in your sports. I also remember your Dad always had his shiny white shoes on all the time. I did not know that Mr. Hull was a member of the Yakama Nation and I am so very honored he was. On behalf of myself and the Northover family, our thoughts are with you both and family in this difficult time. “ Arlene, Brian, and family,  
We are so sadden for the loss of your loved one, and our dear friend. Can't believe how quickly time has passed since we met both you and Francis over 30 years ago and all the fun, and memories you have both enriched our lives with. We will also miss his smile, wisdom, generosity, and friendship. Our lives have been made richer knowing Francis and seeing and sharing his love and enthusiasum for family, friends, sports, and helping others, even though he and I never got on the same page for dedication to sports. He thought I was to soft, and of course, I argued,he was to tough, and women should be coaches. He is gone, but will not be forgotten for all the kindness he gave and shared with others. His love lives on through all of youu.  
May his love and your faith help you in the difficult days and times ahead.  
Our love and prayers.

“ I will always remember me an 8th grader and he was a senior. And all of dumb little kids would stand in front of the HS doors at lunch. Francis wiped us out several times. (The dash to the lunch room) I will never forget his big happy smile and his eyes shine when you were around. He is loved and never forgotten. If there is anything I can do for you .. Please let me know..you were there for me...love ya always Bonnie (swaner)##imported-begin##Bonnie Kent-Walker##imported-end##

“ Arlene & Brian...

*Death is such a final word..but we truly believe that Francis' faith, good deeds and love of others has lead him to the kingdom of heaven. We can see him now in heaven still buying raffle tickets and giving them to the children around him and passing out silver dollars as he so proudly did to all the children of the parish especially our grandchildren. For he so loved children that we are sure God has the perfect place for him in heaven so he can continue to care and love the children in the heavenly world. And so he can become his own grandchildrens Guardian Angel. We are so sorry for your loss....Francis will be missed.##imported-begin##Mike & Maria Vizarro##imported-end##*
