“ *Chandra's pursuit of excellence was unquestionable in high school. (we graduated high school together) Out of several applicants she was awarded the Bank of America teller position; she continued to to have a long ascending career with Bank of America. She excelled in sports - I remember in high school we watched many exciting volleyball games where Chandra was an integral member of the team. She was a top student throughout her academic career. Chandra had persistence, drive and was courageous against the awful disease that took her too soon - these are the qualities I will remember about her. Kyan and Family, May God give you comfort and peace now and in the future.*

In deepest sympathy, I Wil remember Chandra when she came to work at Seafirst bank. I was very proud of her achievements and her desires to achieve the best. It is sad that she was taken so young. Love and hugs to Khan and your family.
