“ Cheryl and I grew up together, we were very close. I am Dennis W. Celestine her eldest brother, We rode horses, bikes, swimming, there is not anything that I had not done with my baby sister. I took her to her very first indoor theater movie, it was “The Lady and The Tramp”

*There is not a day that goes by that I don't think about our love for one another, we would be at Yakima Meadows together. We would search all over collecting betting tickets that were on the ground. I was with her when she found her soulmate, Marvin McDonald. I thought I would be able to speak at your funeral service, but my god my heart was broken, and to tell everyone about we grew up together was harder to say with so many families and friends.*

“ Hi! I was just surf'n' arnuod for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;###imported-begin##Omar###imported-end##
