“ *Chip was a funny guy. At coffee, he and I would make the other guys roll their eyes as we handicapped the cute female contestants on Dancing With The Stars. He played a mean bridge game. His trick when a guy came in and Chip couldn't remember his name, he'd say, Hey, partner, how's it going? Chip would never let you down. Hell be missed. Condolences to Joyce and the kids. “ *We are grieving also with you, always thought of Chip as being a close friend. The world will be a sadder place with out him. We have many memories of him, booster club and the many games we met him at and the shared experiences we had driving to games etc. We are unable to come to his funeral,because of health issues but wanted you to know if we could we would be there if it was possible. We will pray for you and the family, and remember Chip fondly. He was a lot of fun to be around and led a good life.

“ I’ll always remember Chip. He was my Grid Kids coach, the Toppenish Rebels, in 1966. First time playing football. I’ll remember him as a good man that inspired us, taught us, motivated us, and cared for us. He made a positive impact on my life. Funny how an event some 40 years back can shape a persons life. Chip left his mark on my life and I’ll forever be grateful. My thoughts and prayers are with the family during this difficult time. I wish I could be at the service but unfortunately I’m out of town Saturday.
