This is my uncle Christopher. He was my favorite uncle, even though I didn't see him often. Whenever I would see him, he would say, "Hey mija! How are you? ur so beautiful, just like your mama." My favorite memory of him was when my cousin Adrian and I were walking up and down the road, nd we got bored, so we went to our uncle cruises house. We knock on the door, and Christopher opens 'Hey, mija! Hey mijo! Come in!" We walk in and hes playing listening to cali lifestyle while ironing his clothes. He says, " ima look hella fresh when I'm done with these." nd me and adrain start laughing and since it was a hot day, Chris says, " you guys want something to drink?" me Adrian and say yes quickly. He opens up the fridge door and then kinda dose a shimmy dance as hes showing us the drinks and me Adrian are just laughing and laughing . I miss my uncle so very much. and i always will.
