“ *Watching you grow up from a little guy into the handsome loving caring young man. I loved your big bright smile and helpful ways . You shared so much joy to all around you. I will forever remember you as the little guy that lived in Glenwood , and would hang out with your cousin Yogi, going fishing or just doing young boy stuff. How much time you spent with your little sister Tuju, and the things you did for your mom n dad.*

*Just a few memories from your old auntie Mari
You will truly be missed.*
