“ My prayers for children, grandchildren, siblings, Gin, and family and friends far and near as we witness Sunman journey. In his lifetime, he touched many hearts as he greeted you, shook your hand, smiles and or laughed! Never a stranger around him, it was always a new friend. He took part in many sports in his lifetime. He enjoyed wood work. Loved movies. He loved his home-its our family's as they moved in. He took time out to help others, however he could, never asking for payment...'next time I might need help' as he smiled. He loved the Shaker Faith

Loved children. Many, as my son did, became left without father's due to death. He stepped up, come visit, check on them, tell them it's tough, but together we will get thru this. My son thought the world of him. Many young ones looked up to him.

He worked hard, took care of our families, as they had losses. Early sunrises. Sometimes more than 2 a day, but he and our own 'Ghostbusters' took care of our needs.

Health brought early retirement. He said now more time for my kids! Our last visit was nice. He told me I am tired, so tired, I am ready to leave Sissy. I told him pray, when God's hand reaches on, you hold on tight and don't let go. He smiled and goes yea! We shared many thoughts and memories. So many of our friends are gone, he will be greeted by them. He laughed loud, he says yea, some been gone for years.

I am letting go. Don't want to hold anything back.

I am thankful for all the precious time Cleo spent with him. He did not want to be alone.

Pray for the services. The roads and weather. Those traveling. For those who cannot be here. Pray for our Satus Shaker Church and leaders. Pray for pall bearers.

Pray for the cooks. Mostly, pray for our 'Ghostbusters'.

Brother, be as far as we can go with you. You have already prayed for your journey. Much love from all of us. Will miss you, but you have no sickness, knowing you are going to a better place, we will catch up when it's our time.

*Rest Easy Bro.
Prayers & Love Always

“ *Must offer sincerest condolences for the the many friends and family left behind. Have known this guy for a long time. Have good memories competing against The Buckskins when I played with Yakima Nation softball team. Our games were always competitive and full of laughter. I know he had a tough time in his last years with his physical limitations. Not anymore.....pass in a fine way, Sun Man!*
