“ *Connie L. Belieu*

October 05, 2023 at 11:22 AM

“ *I knew Connie through a women's ministry I conducted for 18 years. She was a member and rejoined twice. She had a desire to fellowship, grow in her faith and to share and support others. She is remembered for her kindness and positive attitude, which she carried gracefully even in difficult times. I pray her family will find comfort in the months ahead and in the many good memories both she and her husband Dean leave behind.*
