Darlene Mae Seefeldt peacefully passed away at home on September 10 at the age of 75.

Darlene was born March 14, 1941 in Yakima, Washington to Tilden and Winifred Sloan. She grew up in the Harrah and Granger area and attended Harrah and Granger Schools. After getting her GED mom attended Business College where she received a Legal Receptionist degree. She had 4 children by her first marriage. In 1986 she married Gaines Seefeldt and lived in Toppenish. Darlene worked at the Branding Iron Restaurant, Toppenish Hospital, McDonalds, Toppenish Eagles #2229 and retired from Senior Life Resource Northwest as a caregiver.

Darlene was passionate about her children, grandchildren and great grandchildren and supported them in their adventures. As often as she could she would go and root them on at their rodeo events, soccer, baseball, volleyball, basketball, and football games and was very proud of their achievements. Darlene loved to knit and crochet. Each new grandbaby would receive a knitted or crocheted baby blanket or sweater. A good reading book, word search or puzzles wasn't far from her chair for a relaxing evening. She enjoyed working outside in her flower and vegetable garden. Every fall she would gather the walnuts from the tree she planted in her yard and sell them or give them to family members for baking. Every holiday mom made sure there was a family gathering where she would bake the pies and deviled eggs. She enjoyed their road trips her and Gaines would take along with the trip to

Alaska to visit family and the trip to Disneyland with the grandkids.

*We had a relative service the same day as Darline, or I would have been there ! She was a wonderful friend to both myself and Debbie. She could bring sunshine in Debbie's door when she came in. I will never forget her goodness and friendship*
