“ *Prayers to you, for a safe journey...do not let anything hold you back. To the children, grandchildren, sisters, brothers, and many friends she made during her young life, prayers go out to each of you. Take comfort in knowing she will now get the rest that she was in so much need of, and she no longer suffers from any illness. Those on the other side are waiting to greet her and welcome her home! Take care of one another, be strong, pray, and leave it in God's hands. Gina Jerry & Family*
