“ We are sure going to miss you Demetrius, our relative and neighbor! Checking on you and your sisters and brothers at the bus stop, giving you rides home every now and then, watching you walk your sisters and brothers home, hearing you drum and sing songs from our porch, seeing you at stick game. You were a kind and gentle young man who is going to be dearly missed. Derek, Genevieve, Tracy, Vickie, and kids we send our love and prayers to you all in the hopes they will bring comfort to your hearts during this time.

*Love from your relatives and neighbors,
Charles and Shay-Anne Telakish*

“ Please accept my sincere condolences Derek and siblings. As well, Genevieve.
I had hoped to have gotten to know my grand-nephew, Demetrius in future. Know that God's spirit will envelope Demetrius' spirit and we can celebrate his life, because of that uniting. Until we meet again Oompa, rest in peace

“ Demetrius was at our house in the snow wearing a t-shirt, shorts and croks. He was a very polite and loving young man full of interest and always happy. He hugged with genuine feelings, and felt like he was a member of the family.

“ I am priviledged and honored that Demtrius shared his life and world with me the past two years at CATS High School. He would come to my office and just sit and talk about everything and share his interests and things he was involved in. He was a gentle young man and cared about so many situations and circumstances in his world. I never heard angry word from him about anything. He let me into his young life and his world to an extent that he made me feel important to him. That was his gift with people. He was impressive in so many ways. To Genevieve, Derek, Grandfather Terry and so many other Family members you deserve to be proud of who Demetrius had become. He was loved and valued at CATS. I will miss him greatly.

*"And the thought that makes me smile now, even as tears fall down,
Is that the only scarts in Heaven, are on the hands that hold you
now."*

Casting Crowns

Rest in Peace my young friend.
