“ *It's with great sadness we learned of Buster passing away. He was a fun and special friend to me, growing up when we lived in the country.*

Polite and always the cowboy gentleman.

He and Muriel had two wonderful children during their time together and were great parents.

He treated everyone special and always had a smile. Very hard worker and enjoyed a wonderful life with Shirley and her family.

Our deepest sympathies to all of you who have lost three special people in your lives.

Time, love, wonderful memories, will help ease your pain and help with your healing.

I have the best memories of going to the Jr. rodeos and so enjoyed riding Maude. Thanks for teaching me how to tack on a horseshoe and tie a great rope halter!
