“ *Oh, the stories that could be told from back in the day. Travis and i had so much fun partying with Donnie, Ronnie and Rusty. Now they are together again. You will be missed dearly Donnie. Say hello to everyone for me. Til we meet again.*

“ Donnie was my best friend. I will miss him a great deal, my life has a huge empty spot in it cuz of Donnies passing. We had so much fun together. He was always ready to go anywhere at anytime, no questions asked. He would always share an interesting story from his life with me, and he was always finding interesting trinkets nd Most often give them to me if I liked them. He was a generous person and giving. He gave money to the wayward people on the street, even though he didn't have much for himself, but that's what made Donnie happy was making others happy. He made me laugh so often. I just have to say that Donnie was a really good guy and had a huge heart. He will be missed and I will never ever forget him.
