“ *To Judy, Aaron, Leslie and the whole family, I'm so sorry about Don. We understand what a rotten time this is for everyone and hope that the stories, hugs and notes of support make you feel better and help you to see how many lives are touch by one person. For our family Don and you, Judy, are such a part of the McMican Family Lore. Aunt Jackie told me, on the day Don proposed the two of you drove to Mack & Mackie's to find Uncle M.D. to give him the news. And when Leslie was born, Don took her to see M.D. making him one of the first people to meet the new Markham. For three such good friends the stories live on. All our Love, Cyndi & Kirk Stuart*

“ *Not certain if I know what I'm doing here but will try. Don was such a good friend and helped me with projects in my classroom as well as after I retired. I was so sorry to see this. Carmen sent it to me.. I know this is a difficult time for all of you. Wish I was there to give you a hug. It's not easy but just take one day at a time. Love you all.*
