“ *Dad.....*

Rest with angels daddy. I'm gonna miss you, I'll be thinking of you everyday and all the time you spent w/ us as a family. Me, you, mom, Donny. All the fun we all had, every holiday we celebrated was always together.

I'm thankful that we had you & mom. Now your w/ them once again, one day I will be there too. Until that day comes..... Love you w/ all my heart
