“ *My heart feels empty as I try to pick a special memory. There are just too many to single out. Growing up together we were more like brothers than cousins. He was an easy person to love and showed us how to lay back and accept life as it came. Rest in peace Don, you left a great mark on us. Jim Andreas*

“ *My name is Robert Massong. I'm a classmate of Donny. There are so many good memories of him and his family while we were growing up. I was glad that I got to see him at Larry Elders memorial. A quite good guy*
