“ *Dear Tina and Chandi,What an inspiration you two are for us! We just aesrttd to train Freestyle and we simply LOVE it! Roy, my pure bred Border Collie, is already 9.5 years old (he is also a rescue dog!) but he enjoys every new move he learns. Ofcourse I wont push him to do things that he is not able to do physically, but there are still a lot of fun things to do! We just had a weeks workshop by Brigitte van Gestel here in Holland and that was really cool!I really enjoy the videos of you and Chandi, they are good learningsmaterial for me. What pleases me the most though is that you both seem to have so much FUN together, you are simply in love with eachother . it shows! Thank you for all your routines, and the inspiration!!frinedly greetings from Ramona and Roy from Holland##imported-begin##Marina##imported-end##*
