“ *My goodness my dear friend we have been good basketball buddies, volleyball buddies and good talking buddies in past 30 some years ago at school and at ol stomping rodeo grounds in the dusty bonfires we had fun, I am grateful for the many laughs we had and joy of your friendship we shared.*

Praise the lord for him taking your pain and suffering of diseases, I will be praying with creator's help to watch over your families best we can, because its all we can do today's is PRAYING to him for guidance to keep our spirits up to live today and move on for our survival.

Go be with creator's hands and your journey be with him Amen

“ *I first met Ellen about 24 years ago when we went to EMT training at YVCCfor White Swan Ambulance with Vicky Swan, Mark Hovis, Billy Hoptowit. I made some really good friends then. Ellen and I remained friends even though seeing each other was seldom after I moved to Toppenish. She was a special lady and I was saddened to hear of the loss of a really nice lady. Condolences to all the family.*

“ Rest now my dear Sister, know we will miss you, your beautiful smile, your warm hugs, and your concern you always had for others, and putting yourself on hold. No more suffering for you, but you were a brave woman, and met head on what ever came, and always did your best. I admired that, you leave a good legacy behind. The others on the other side are awaiting you, and you will have many stories to share. Kathy, Bev, Joann, Chester, Evan, and the rest of the family, each of you will be in our prayers. If I can do anything to help, give me a holler. We shared so many happy times, growing up side by side, latter playing pool & having our crazy days, and lastly 'growing up' and becoming working self supporting adults. It will take some time to getting used to not seeing you around my friend, but I am happy your on your journey now, and pray nothing will hold you back. Go forth and collect your reward, you worked so hard for, and truly deserve. Much Love, Many Prayers, and Peace, Gina Jerry
