“ *The comfort I have is knowing Gene has a renewed eternal life filled with nothing but blessed joy & happiness no longer trapped in his shell of a body. He is free to dance & sing with his loved ones who awaited to greet him in heavens gates. He placed his faith forward first in all he did using his God given talent to get him through his life & struggles. I love my cousin and admired him for raising all his children & finding salvation through the lord Jesus, May God comfort us all during our time of loss but his gain of an angel in the sky above. Rest easy cuz you deserve your peace, happiness, & heavenly joy above. Love you always*

“ *Gene was a man who was so strong in his faith.  
Gene spoke to the children, in his kind voice and they listened and remembered the lesson he shared.  
Gene's talent in his art will never be forgotten.  
Many were saddened to hear Gene's life here had come to an end. I told them his new life has began, his reward. What he had be working towards. Today Gene is walking! He no longer has any illnesses. He joins his parents, siblings, and loved ones, their Waiting to greet him. He moves to his eternal life with his gentle smile, singing his song. His happy!  
He was a lifetime friend to many.  
Condolences to family and friends left behind.  
Rest in Eternal Peace to our Big Brother.  
IJN  
Amen*
