“ *The fond memories I have of your momma were of her gracious smile and warm heart... we lived not far from her in Granger, many times I remember her walking across the big Catholic yard to our home... my parents were always so happy to visit... they would put on a fresh pot of coffee, sit around the table to tell silly stories and laugh and laugh... she could make anyone happy... May peace be upon her forever and ever... you have so much to be proud of...*
