“ *I used to live next door to Fred in the neighborhood we grew up in just outside the city limits of Wapato. Him and my brother used to listen to Bill Cosby records and we'd sometimes sit around and listen to those, laughing together. As a fellow retired Army veteran, I respect Fred for serving our country and only hope that his family finds peace with his passing. May God bless all of Fred's friends and family.##imported-begin##Les Newport##imported-end##*
