“ *The young lady has been a very loving, happy, busy body, happy and her love of helping whom ever needed help she never hesitated. I believe pyup has heard her calling of all the bountiful jobs she had done with her heart of gold and endurance of her life is always been so honest and hopeful for her help was never no it had to get done. Burning daylight got to get this stuff done or it won't get done.*

She loved going mountains and always keeping everyone on there toes for whatever the day brings to her.*
