My nephew Jack, I am going to miss you so much. I never did get to thank you for always stopping at office and my home to check on me. If you didn't see me at casino or work you always made it to my home to make sure I was ok. I'm going to miss your hugs the kiss on top of my head. I wish I would've taken more time to visit with you. As you always told me, all you wanted to do was be reunited with Dee, well neph your on your way now. I will miss you deeply. Your not lonely anymore, love you nephew, safe journey home to your mom & your love Dee. Aunty Val
