“ *RIP Captain Jack Thrasher you were a prince among men. I am truly honored to have known you. My heart truly hurts to know that your are gone and G+R Goodies will never be able to feed you the deep fried tacos that you loved so much. Thank you, my friend, for the love and respect and all of your words of encouragement. This world will not be the same without your big, contagious smile and big heart. With tears, I say, "See ya on the other side". Big prayers and positive thoughts to your family.*
