“ *To all James's family,*

*James was a great friend. He lived 2 houses from my grandfather's garage, Jack Passenger. I remember always calling him Jackie. He was a bit shy, always had a smile and we seemed to stay out of trouble. He was proud of his life's choices and was very personable as we continued our relationship. He always spoke as if we had just spoken days ago. His character will remain memorable for decades. Bless his soul with comfort and strength to his family's spirit.

“ *My sincerest condolences to Robbie and all of Jim's family. He was a great friend and mentor. He helped make me into the dispatcher that I am today and for that I'll be forever thankful. Rest In Peace My Friend.*

“ *RIP Jim. Jim was a 69 classmate from Toppenish High School. He is and always will be a friend. We grew up together, went our seperate ways after school was over. We still seen each other once in a while in Toppenish. Always had a smile on his face. RIP MY FRIEND UNTIL WE MEET AGAIN.*
