“ *Jeanne Fulmer and my mom attended school together in Toppenish. Much later in life, my mom had her taxes prepared by Jeanne. She did her job quickly and efficiently. Jeanne loved animals and fostered many homeless cats. She had a loving heart for any feline in need of a home. Many blessings, Karen Lommers*

I knew her as Jean LaRae my mother and her attended school in Chinook Montana as kids. My Dad would take her apples as his home vist. She was always smiling and happy. Prayers to Nellie and family. Susan Brumback

I was so sorry to hear of Jeanne's passing. I used to have Jeanne do my taxes for many years and then many of my family did too. She was such a great person. She was such a friendly person and always had an upbeat personality. My condolences to her family.

Jeanne was a true blessing to the world. Her intelligence, compassion, laughter, love for animals, and her overall unconditional love. I was so blessed to be a recipient of that love.

I would be amiss to not mention the coupon clipping and the grocery store in their home that Nellie and I raided often! The coupon clipper's of today have nothing on Jeanne.

It gives me peace knowing she is with her two favorite guys.

Love to you Nellie, and may your memories give you comfort.

*Best,

Losing someone so very special can feel incredibly overwhelming. I am sending love and prayers to you and your family during this very difficult time.

Your mom's kindness, generosity and caring nature made her a truly wonderful woman. As you are Nell. The apple did not fall far from the tree. She will always be in your heart. As well as the hearts of all that knew and loved her. Hugs and love. Gail
