“ So many memories of you growing up in White Swan. Remember The Indian Drill Team we were apart of! When ever we saw each other it was always a big smile and huge hug. May you Rest In Peace now my friend. My condolences to her children and family.

“ Remember you from Skookums, coming in the morning and you diffently living up the joint as soon as came through the door. Working with you and Delbert when I helped you with Grandma Celia. So many good memories to pick from.. Going to miss you. Loved you enough to name my daughter after you.

“ Oh Gosh I remember Jennifer back when she was a WSHS Cheerleader. She has always been so sweet and so nice. She was the real 'advertisement' when her and Delbert were building Wheeler Logging. Jennifer was such a community builder and I had totally forgot she started the WS Parade during Treaty Days. She Absolutely DID ALL of those things her children listed in her obituary. I have always loved Jennifer, because I knew her when I was a little girl at Skookum's with Delbert. Jennifer's brother Chief and sister Annette have also been my close friends. I know her children, Kamiakin, Derrick, and Shelley were always her pride and joy. My brother Chet and Derrick were the same age and my late mother and Jennifer were always in contact. I know that Kenney Ashue, Donald Isadore, Sharon Walker, Shay-Anne Spencer, Lucy James, and the rest of our 1990 Classmates would know this story of Jennifer. Our class was short on chaperones so we asked her and my Uncle Tony Spencer to Chaperone our Senior Trip. Let me just say to you kids if you want to know what happened come ask me or Donald and we will tell you. All I know is I am sad such a bright light in the White Swan Community has been extinguished. I will truly miss Jennifer because she was the older sister I never had and I truly loved her since I was a young girl. Travel good Jennifer and I will see you again one day. Kamiakin, Derrick, and Shelley my condolences are with you.

Love always,
Shay-Anne Spencer
