“ I met Jessica when she joined my dance team while she was in high school. Jessica was a leader at heart, she led her dance team with skill but also with her heart. Girls on the team looked up to her not only as their captin but as a friend. Jessica had a big heart and always wanted to help others. I remember one car wash we had, there was a homeless man just sitting by where we were, Jessica came over to me and asked if she could buy this man something to eat. We walked over to the store and she bought him food, drink and even dessert! Jessica's big heart and the will to help others, she opened her teammates eyes to helping those in need. After that the girls were always willing to help those in need, this is the kind of influence she had on others. Mr. & Mrs. Rodriguez you raised a amazing daughter and it was an honor & a huge blessing to have known Jessica. My prayers are with your family, God bless.
