“ *Marylou,*

I'm sorry to have heard of your fathers passing. You and your family are in my prayers. I know all too well the emotions and pain you are feeling, if it gives you comfort know that you will all see him again. The separation is temporary.

“ *Dear Rosa and Claudia,*

My family has seen so much sadness over the last few years. You and your family have been there to hold our hands, share our grief and see us over the very hard times. I thank You for that. Now we share your sadness and feel your loss. Please know that I cannot be with you for the services but my heart is there and I am sure that Mom and Dad are welcoming your husband and brother-in-law in to heaven with open arms and much joy to be shared. His pain and suffering is no longer present, his heart full of love and he will always be with you in his spirit.

Please feel free to call and we will be there.

Love,
