“ To the Hernandez Family:
I am so sorry for the loss of your loved one.
My condolences are being sent to you.
I thoroughly enjoyed reading your loving tribute to Jimmy in Sunday's newspaper. It was very nicely done. Much love expressed by the family.
Whenever Jimmy and his mom came into the pharmacy, I was overjoyed to observe their their special bond... really impressed by the Ben Rocha family as well. The duo's family Sunday dinner hosted by the them (the Rocha family) was remarkable. What a great family you all are.
And, Jimmy... what a special human being he was. Always happy. Smiling often. So fun to be around.
It was evident that you loved him. Just know that the community loved him as well.
Love and prayers,
Karen Lommers
