“ *I am so happy I got to visit my Aunt Joan in October and hear her wonderful laugh again. I have so many happy memories of visiting the farm for Easter and Berghoff family reunions when I was younger. Stacks of toast, boxes of cereal, and honey at breakfast set the backdrop for the sharing of many, many funny stories around the table. Thank you for all the laughs, warm meals, and your always generous hospitality, Aunt Joan. My condolences to all your family and friends who are no doubt feeling a great loss.*

“ Gary and Family:

I am so sorry for the loss of your wife and mother.

Joan was a good neighbor and friend: My mom treasures the good 'ole days when she and Joan walked for exercise. Her favorite telling is when the duo walked the railroad tracks. Now, as a train travels the trail and she no longer walks without her walker, Mama will remind us of her walking days with her favorite partner. :)

God bless you all.
