

Joe Pena

May 6, 1975 - February 10, 2021

Jose Luis Peña Jr. was unexpectedly called to serve the lord as one of his elite angels on February 10th, 2021. Joe or Joey as we all called him was born on May 6th, 1975 in Sunnyside, WA. From the heavens, he will continue to watch over his family.

If you ever met Joe, you knew that his kind spirit would stay with you forever and that you could always count on him. He deeply loved his family and put their best interest first, decisions were often sometimes difficult but always made from the heart.

Joe recently found the love for hunting and fishing with his cousins and brother, he was very excited when he could catch a seat on the boat or hide in the blind in the middle of a cold wet field.

Joe also held a love for vintage cars and would restore them from a pile of rusted metal, once worked on, that pile of metal became a beautiful car.

Joe was #1 handyman, roofer, electrician, body and paint guru, flooring installer, baker and so many other things best of all these tasks were completed with love, every time, guaranteed.

His passing has left an enormous hole in our family and in our hearts, this hole will never be filled. Joe impacted so many lives he was a devoted husband, father, brother, uncle, cousin, and friend. His smile will remain in our memories forever and his infectious laugh will ring in our hearts every time he is remembered with love.

Joe is survived by his wife, Brandi, children Nestor, Meagan, Dallas and

Nikolaus, his parents Jose Luis Peña (Josefa), Cruz Salinas-Salazar (Joe), sister Monica Peña, brothers Tim Peña (Maria), Jorge Montes, Michael Peña (Tabitha) and Julian Peña and numerous nieces and nephews.

“ It just seems so unreal, I don't even know why this happened. I know we weren't close like I now wish we could've been, but you will always have a place in my heart primo. Everything you done for me will never be forgotten. They say God has a plan for us all, but why couldn't he rewrite your plan. Why did he have to take you so soon! As I'm writing this I can't hold back my tears cause I never knew how much you've impacted my life or meant to me until now. I love you primo! Until we meet again. Rest in Paradise carnal!

“ I will miss him forever, Joe was always a positive influence on all of us, his kindness and genuine care for his family and friends was incredible. Joe always gave me words of wisdom and his actions made me a better person, always going out of his way to help others. Joe had a contagious smile and helped all of us view life from a positive perspective. Descansa en paz hermano, I believe that I will see you in the afterlife and that is the only comfort I can find at this time.

“ Joe was such a great inspiration and friend. He would always stop what he was doing to ask about my family. He truly cared about others. On our lunch outings he would glow while speaking of his children and was so proud of them. A great example of a loving father, husband and friend. I will miss you Joe.

“ Joe was a part of my Allstate family. He was dedicated to sharing his knowledge and working with others to improve their skill level. He made a big impact on the customers he helped. His Allstate family is heartbroken, we will miss his smile, his laughter, his love of the Cowboys. He was a great coworker and made a great impression on all whom he worked with. He was much more than a coworker to so many of us, he was our friend. He will be so missed.
