“ *Mr. Cantu!*
I will never forget you! By far, the best relationship and friendship I have ever made with a patient of mine. I looked forward to 'stealing' you from whoever I needed to each day just so I could take care of you all night long. I couldn't be happier that you got to spend the night at home. What a great man you were, and what a great family you had by your side. We all love you! I will always remember our fun times, GO MARINERS!!
I love you!
